Des Moines International Airport (DSM) officials have released the final tally of free parking winners during 2007 in recognition of the Airport's 75th Anniversary. One parking ticket per day, starting in June, was chosen at random to be the winner.

A list of 214 winners was announced. The winning amounts ranged from **\$1 to \$117 (totaling \$4358)**. The average winning ticket was **\$20**.

Congratulations to all winners. Republic Parking personnel (DSM's parking management company) reported very positive responses that the Airport would conduct such an offer.
