Des Moines International Airport (DSM) officials are announcing that H1N1 flu shots will soon be available at the Airport. The seasonal flu shots will also be back during this time.

Wesley Community Services representatives, in partnership with the Polk County Health Department, will administer the shots in the lower level of the Airport Terminal. The H1N1 shots are free. The seasonal shots are \$20. Everyone over the age of six months is eligible to receive H1N1. You do not need to be a resident of Polk County.

Here is the schedule:

**Monday-Tuesday-Thursday-Friday: 5:30-7:30am & 1:00-4:30pm**

**January 18 through February 5**
